NIGHT LAMPS.
SOMETHING NEW!

We have received from Edison's factory
an Electric Lamp for bed-room use which
is going to prove invaluable. By means
of a regulating screw the light can be
changed from a dull red glow to full
and power. When retiring the lamp
can be so turned down as to burn all night
at little cost, and by means of the screw
can instantly be turned on full power.
It will be found a great convenience in the
bed room or the nursery.

Price \$1.25 each.

CORRESPONDENT DUHAIN.

Claude L. F. Duhain, correspondent
for the New York Mail and Express
and St. Louis Globe-Democrat is mak-
ing a short stay in Honolulu while on
his way to Japan. Mr. Duhain was for-
merly with the Municipal Record and
Advertiser of New York. The Drama-
tic Mirror says of him: "Claude L.
Faye Duhain is the author of The Re-
verend Mr. Demon, a society drama in
three acts, which will have a metro-
politan production on Broadway next
season, it is said. Mr. Duhain has been
a close student of the drama under the
tutelage of two of the most successful
playwrights in this country. He has
written several sketches and short
stories, whose publication has aroused
sufficient interest to warrant this lat-
est effort, on different lines, being
awaited with expectancy. Mr. Duhain
is well known in social circles in New
York, and down East, having been a
student at Brown University. He is a
grandson of the late Thomas Faye, of
Washington Heights, and is connected
with some of New York's oldest fam-
ilies."

Mr. Duhain will leave in the Doric
for the Orient where he anticipates
stirring events if not war in the near
future.

Beretania Street Widening.

Following are in brief the particu-
lars of the Beretania street widening
cases set for a hearing in Circuit Court
chambers today:

Liliuokalani by her agent, J. O. Car-
ter, claimed \$1550, being at the rate of
\$2 a square foot. The commission
awarded her \$620, being 80 cents a
square foot. Bruce Cartwright, trustee,
Maud F. Pfluger and Edith Morton by
their attorneys, Kinney, Ballou & Mc-
Clanahan, protested against the juris-
diction on the ground that the commis-
sioners did not represent the United
States Government to which condem-
nation went ahead, however, and
awarded these plaintiffs \$998.80, being
at the rate of \$1.10 a square foot. John
A. Cummins by his agent, J. O. Carter,
claimed \$3690, being at the rate of \$3
a square foot. The commission award-
ed him \$1353, or \$1.10 a square foot.
P. S. Dodge, A. L. C. Atkinson and
George Manson formed the commis-
sion. The Minister contends that the
statutory time for claimants to accept
their awards having elapsed, the fee
simple title of the land in question now
vests in the Hawaiian Government.

Judge Silliman appointed Yee Yap
as temporary administrator of the es-
tate of Leong Mun Bun, deceased estate.
Lyle A. Dickey for petitioners;
W. A. Henshall for creditors but not
objecting.

Judge Silliman on Saturday heard
argument in the maritime collision
case of the barkentine Wm. Carson
against Wilder's steamer Claudine.
Paul Neumann for the Carson; Kinney,
Ballou & McClanahan for the Claud-
ine.

THE LAST CAR.

The last cars of the King street line
going to Waikiki and Pali pass the
Anchor Saloon. The cleverest mixol-
ogists in the city are there a ways to
out you up anything you may desire.

1510-1f

BY AUTHORITY.

SANITARY REGULATIONS OF THE
BOARD OF HEALTH.

At a meeting of the Board of Health
held the 18th day of April, 1900, the
following amendments and additions
were made to the Sanitary Regulations
of the Board of Health adopted Janu-
ary 26, 1900, viz:

Section 6 was amended by adding
the words "floor or floors or the ground
under the" thereto, so that said section
shall read as follows:

"Section 6—All houses, structures,
rooms or parts thereof, in which water
is used or intended to be used, in such
quantity as to render the floor or floors
or the ground under the floor or floors
thereof damp, shall have such floor or
floors made absolutely water-proof,
with proper drainage into trapped
leaders conveying the water away into
cesspool or sewer; and the water-
proofing of all such floors shall be done
in a manner satisfactory to the Board
of Health."

Section 8 was amended by adding
the words "unless the sides and bot-
tom are cemented and made water-
tight," so that said section shall read
as follows:

"Section 8—No privy vault, sink or
cesspool in Honolulu shall hereafter be
located or constructed within fifty feet
of any stream, lake, pond, well or
spring of water, unless the sides and
bottom are cemented and made water-
tight, nor within two feet of the line
of any lot; nor shall it be made more
than eighteen or less than six feet deep
or placed in such a position that it is
not easily accessible for emptying and
cleaning."

Section 19 was amended by adding
the words "sinks and bath tubs" after
"urinals" and the following sentence
to said section: "Waste water from
sinks, bath tubs, places where wash-
ing is done or water closets shall not
be allowed to discharge into any
stream, lake, pond or ditch," so that
said section shall read:

"Section 19—All connections to cess-
pools or privy vaults shall be made
with cast iron, lead or vitrified sewer
pipe. All urinals, sinks and bath tubs
shall be connected to cesspools, vaults
or sewer by trapped waste pipes. Waste
water from sinks, bath tubs, places
where washing is done or water closets
shall not be allowed to discharge into
any stream, lake, pond or ditch."

And the following regulation regard-
ing the manufacture of pol in the city
of Honolulu be added and made sec-
tion 30 of the Sanitary Regulations of
the Board, viz:

"Section 30—Each and every build-
ing where pol is manufactured by man-
ual labor shall be laid with cement
floors, with gutters leading into a
trap drain connected with a cesspool or
the sewer system when completed."

Dated, April 18th, 1900, and published
by order of the Board of Health.

C. B. WOOD,
President.
